The Cooligans are a pair of New York City comedians who love soccer. Alexis Guerreros and Christian Polanco want to bring laughter to the beautiful game. Soccer is a growing sport in America and our goal (pun intended) is to show that American footy fans are not like any other in the world.

We record in our studio in Richmond, Virginia. The show is focused on analyzing soccer and explaining how and why things happen on and off the field. A salute to @SoccerCooligans and @TotalSoccerShow for conceiving and executing the @wccomedytour. No small feat to pull off a tour in U.S. celebrating 🇺🇸 soccer culture through comedy. Privilege and pleasure to be a part of the final show of the tour.
